Judith Künzle

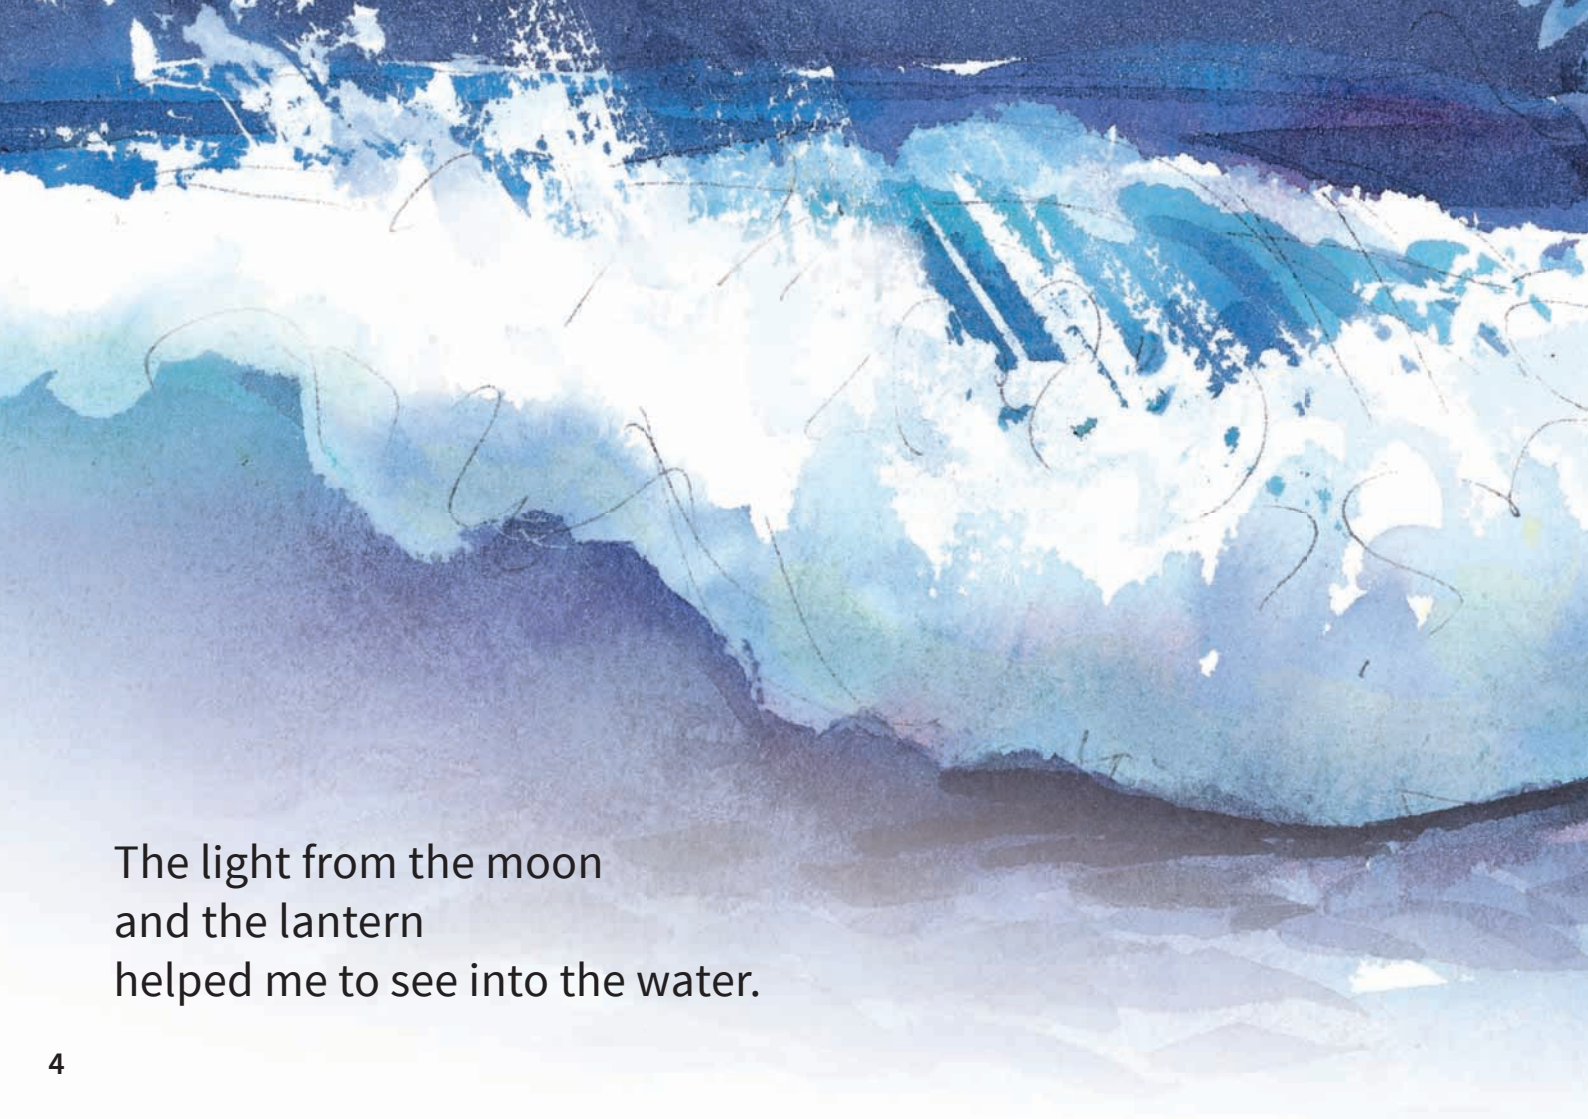

Ministry of Education

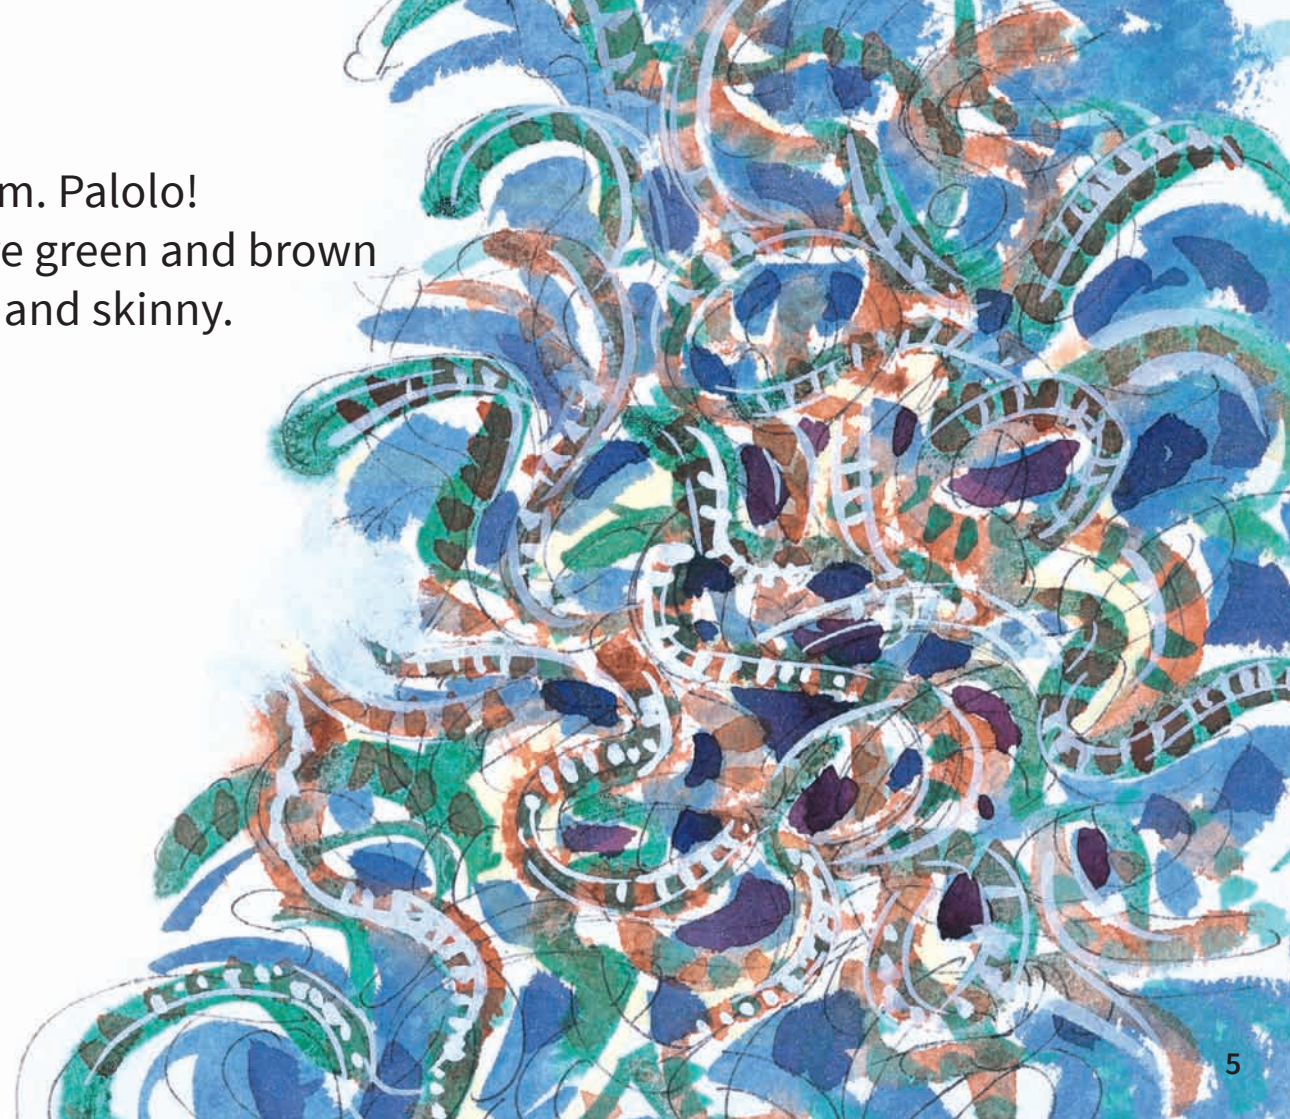

Last night, I went out to the reef
with my family.

I carried a lantern
and a net.

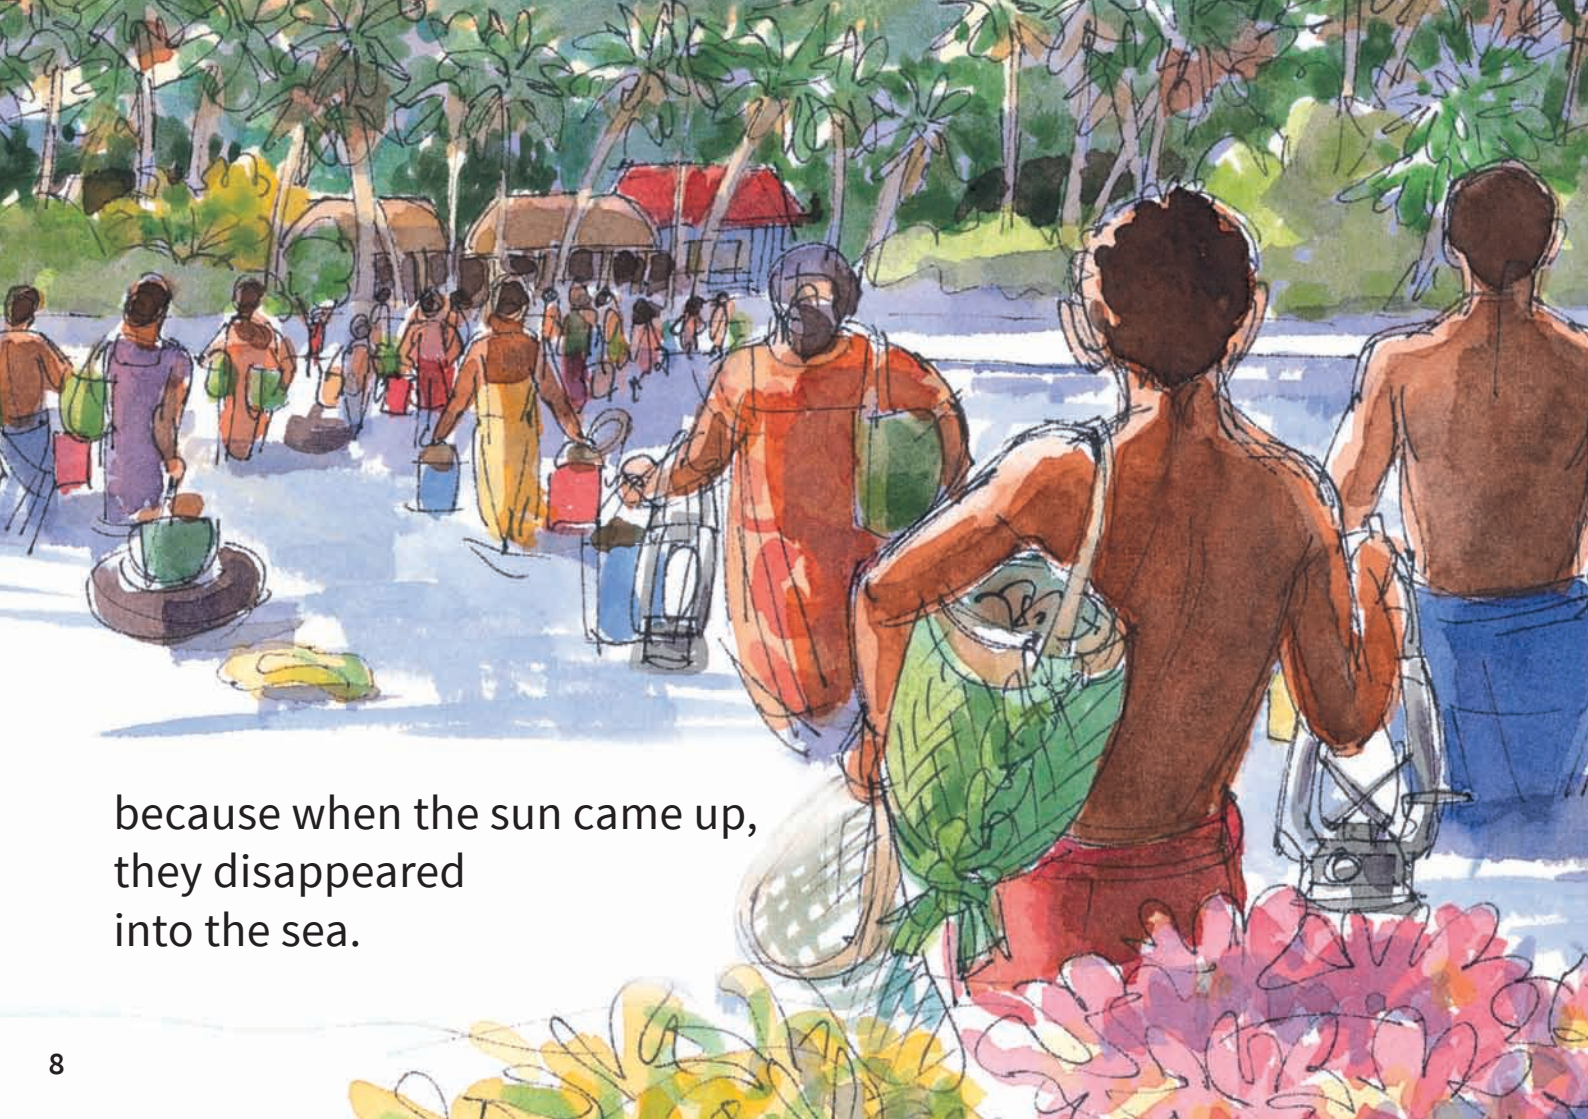

The light from the moon
and the lantern
helped me to see into the water.

I saw them. Palolo!
They were green and brown
and long and skinny.

I scooped them up with my net.
I had to hurry ...

because when the sun came up,
they disappeared
into the sea.
